

How to create an RT ticket

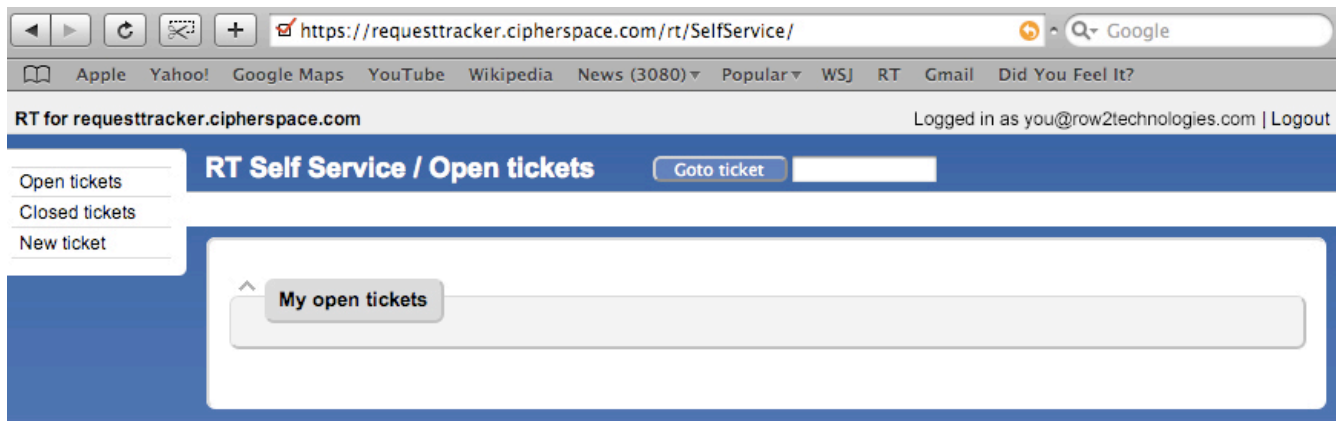

Step 1: Go to the support portal by going to the URL: **http://isupport.row2technologies.com**

Step 2: Click on the “**Request Tracker**” link to go to the Request Tracker login page. Login using your row2technologies.com email address and your email password.

Step 3: Request Tracker Home page

Step 4: Click on the “New ticket” link on the left to create a new ticket and choose the **Row2** queue.
